This decision is part of our ongoing commitment to innovate and provide the best possible products and services to our customers. Below are important dates and details regarding this transition:

Key Dates:

- **End of Sale Date:** 24.02.2023
 - After this date, the above listed products will no longer be available for purchase.
- **End of Life Date:** 24.02.2026
 - Technical support and service for the above listed products will be available until this date.

Details:

- **Affected Products:** above listed products, including all versions and configurations, will stop being supported by their End of Life (EoL) date.
- **Reason for Discontinuation:** The products are being discontinued, due to technological advancements and market demand.

Customer Options:**1. Final Orders:**

- We encourage customers who wish to purchase additional units of the announced products to place their orders before the End of Sale Date. Availability will be based on current inventory levels.

2. Replacement Products:

- We recommend contacting your Sales Representative for replacement products that offer enhanced features and improved performance.

3. Support and Maintenance:

- For customers currently using announced products, we will continue to provide support and maintenance services until the End of Support Date. During this period, customers will continue to receive the same high level of service and support.

Contact Information:

If you have any questions or need assistance with this transition, please contact your account manager. We are committed to making this transition as smooth as possible for all our customers and partners.

Thank you for your understanding and continued support.

Sincerely,

PLM Team
